CHARACTER WITH DISTINCTION

Hallmark University's mission statement states, "We change individual lives by developing superior skills, knowledge, and character." Many employers, who hire Hallmark University graduates, believe that one of the most important things we do to benefit both the graduate and the employer is the development of superior character. Therefore, our desire is to emphasize student character development from the day our students arrive and continue throughout their entire Hallmark University journey. We begin the character education process with our mandatory Character (C-360) boot camp or Introduction to Character and Ethics (HUMA1347) course and continue it by integrating character in the curriculum of each of our four programs, throughout every term.

The seven essential Hallmarks of Character are Integrity, Dependability, Leadership, Servanthood, Stewardship, Communication, and Agility. We wholeheartedly believe that in order to fulfill our mission, our faculty, staff, and students must strive to further enhance their personal character by intentionally developing and exhibiting these 7 Character traits.

For those students desiring to go above and beyond the minimum requirements of the Hallmark Character Education Program and graduate with distinction, they may elect to earn Character with Distinction (CWD). Students may earn (CWD) by satisfactorily completing the C-360 boot camp or the HUMA1347 course and then accruing 2 points in any calendar year of their program. We encourage our students to earn (CWD) in each calendar year in attendance.

Points can be earned from (items worth only 1 point, maybe repeated):

- Attend any combination of 5 qualifying events – (Live Better Luncheon, 1347 Gathering, Global Leadership Summit session) - (1pt)
- Complete ten volunteer service hours at HU events (graduation, community outreach, etc.) – (1pt)
- Complete ten verifiable community service hours to the benefit of a non-profit organization - (1pt) (Non-profit organizations must be pre-approved by the Director of Institutional Character and Ethics.)
- Give or cause to be given \$500 towards HU Advancement campaigns - (1pt)
- Participate in the Big Brother's Big Sister's work mentor program - (2pts)
- Complete one 11-week Biblical Leadership for Excellence (BLE) course offered by HU - (2pts)
- Facilitate one 11-week BLE course - (2pts)
- Submit a 2-page (minimum) proposal that either enhance the character program or develops the university by applying character operationally - (1pt)
