ELIGIBILITY AND SELECTION CRITERIA:

- 1 Prospective students may be eligible for the Hallmark University “Pay it Forward” referral award when any current student or alumnus recommends and refers them for admission to any Hallmark University program.
- 2 Current students and alumni complete the referral process online, via email response, or inquiry form naming the new prospect. Students may apply for scholarships when they have started the application process for admission to the university. A completed admissions application must be attached to the scholarship application. Qualified prospective students must have original marketing source indicated as “PIF Referral”. Students who have previously inquired about or attended Hallmark or had been referred to Hallmark on any date prior to 12/1/21 are not eligible for this award.
- 3 It is the student’s responsibility to ensure all required information and documents required for the respective scholarship are included with his or her scholarship application. Incomplete scholarship applications will be determined as ineligible. All scholarship applications need to be submitted prior to first term of enrollment.
- 4 Students must be enrolled, in good standing with the university and meet Satisfactory Academic Progress to continue receive a scholarship disbursement; 90% Attendance and 2.75 GPA (except FIRST Robotics and CyberPatriot which requires a minimum 3.0 GPA for renewal).
- 5 The scholarship award is \$1000 per academic year distributed equally across terms and cannot be combined with other Hallmark scholarships or create a negative account balance. Resources for this program are limited and available only to students who begin their studies prior to October 1st, 2022.
- 6 The Hallmark Scholarship is applicable to tuition and fees only for a Hallmark degree program and is not transferrable to other programs and schools. Registration fees, tools, books, and lab charges (if applicable) are required to be paid by the student and will vary according to the course of study.
